D. OBJECTIVE OF THE RFP

The purpose of this RFP is to identify an experienced and qualified organization(s) to act as the WIOA Youth Program Operator(s) in Marin County.

The selected contractor(s) will be responsible for: (a) providing workforce services and support to youth in the community and (b) fulfilling the purpose and intent of the WIOA.

All programs must be responsive to WIOA regulations, local labor market demands, local standardized system policies, and operational directives.

Successful programs will drive measurable outcomes, provide a quality customer experience, and operate with maximum cost efficiency and effectiveness.

E. TERM OF THE AGREEMENT

The Alliance will award an Agreement for a period of October 12, 2017, through June 30, 2018. The Alliance shall have the right to renew the Agreement without rebidding for three (3) additional one (1) year terms, (2018-19, 2019-20, 2020-2021) with thirty (30) days written notice to the Contractor prior to the expiration of the initial term or renewal term of the Agreement. A renewal determination will be made by the Alliance Regional Workforce Development Board (RWDB) at a regularly scheduled meeting and will be contingent upon the satisfactory achievement of agreed upon performance measures and availability of funding, and requiring Workforce Alliance Governing Board approval. In the event the Alliance exercises such right, all terms and conditions, requirements and specifications of the Agreement shall remain the same and apply during the renewal terms. This Agreement will not automatically renew.

F. PROGRAM LOCATIONS

Bidders will be asked to propose a specific location (Appendix C) for meeting and delivering services to youth participants. Any location proposed by the respondent should be easily accessible to the youth population (e.g. a place where young adults congregate and/or a place that is near public transportation and/or the program will provide transportation).

G. AVAILABLE FUNDING

At this time, the amount of funds available for allocation is not available. For informational estimates, the below amount is approximately what may be available, based on prior year funding levels:

Marin = \$292,181

In addition, any available carry-in funds from the previous year will be made available to the selected respondent, assuming a successfully negotiated contract.

The Alliance anticipates that future year funds will be of similar amounts, although this is subject to actual availability of funds and any relevant laws, regulations, and policies, as well as subcontractor performance.

Per WIOA regulation, a **minimum of 20%** must be spent on work experience activities for youth, such as summer and year-round employment, pre-apprenticeship, on-the-job training, or internships and job shadowing. **The budget and budget narrative must demonstrate this commitment to work experience activities.**

H. ELIGIBLE APPLICANTS

Proposals will be accepted from qualified providers capable of successfully operating a Workforce Innovation and Opportunity Act (WIOA) Youth Program in accordance with the requirements of WIOA.

Eligible bidders include private and public, secondary or post-secondary education institutions, faith based organizations, for-profit and not-for-profit agencies, community based organizations, or other legally established entities.

Bidders must have the administrative and fiscal capacity to successfully provide the services identified in this RFP. Organizations must have at least three (3) years of experience providing workforce services to similar populations.

Partnerships or consortiums may respond; however, collaborations submitting proposals must identify a lead agency that will be responsible for management, coordination of services, operations, financial accountability, legal obligations and all reporting requirements.

I. CONFLICT OF INTEREST

Respondents should seek to avoid any potential conflict of interest and specifically address items listed below as they relate to your organization.

- Successful respondents must maintain a written code of standards or conduct governing the performance of persons engaged in WIOA programs and activities.
- Respondents must disclose any potential conflicts of interest arising from relationships with training providers and other service providers. (WIOA Section 121 (d) (4)).

Any organization that has been selected or otherwise designated to perform more than one function related to WIOA must develop a written plan that clarifies how the organization will carry out its multiple responsibilities while demonstrating compliance with WIOA,

corresponding regulations, relevant Office of Management and Budget circulars, and conflicts of interest. This plan must limit conflict of interest or the appearance of conflict of interest, minimize fiscal risk, and develop appropriate firewalls within that single entity performing multiple functions.

Preference will be given to proposals which utilize such strategies.

Healthcare and Manufacturing are the primary focus of regional planning efforts, although work is also occurring in other industries, including tourism. The prioritized sectors reflect employment projections according to education/training and have been identified as the fastest growing occupations and occupations with the most job openings. The current list of priority sectors and sectors of interest are as follows:

The sectors offer a framework to understand employment opportunities in the North Bay, to engage employers, and to develop career pathways and training opportunities that are consistent with the needs of the employers in the Alliance's service area.

Sector strategies will be developed to support the Alliance's designated industry sectors and to educate and connect youth and jobseekers to employment within these sectors.

The Youth Program Operator(s) will be required to ensure connectivity to the designated industry sector efforts.
